

MasterMinds — 2017-2018 — Confirmation/Registration Form

[NOTE: This is not a bill; once a school registers to participate and the season has begun, that school will receive a single invoice for all participation fees.]

Check all appropriate boxes below:

- Yes, our high school will be participating in the 2017-2018 MasterMinds program. We understand the cost to be \$564/high school.
- Yes, our high school wishes to participate in the 2017-2018 junior varsity MasterMinds program. We understand the cost to be \$241/school. We understand varsity participation is a prerequisite and understand we will not be billed if JV is somehow not available.
- Our high school cannot participate in the 2017-2018 MasterMinds program. However, in the event a full season of MasterMinds does not occur, if a one-day mini-tournament is offered as an extended demonstration of MasterMinds, our school would be interested in participating.

NOTE: No school will be billed if enough other schools do not register to participate.

- We are unsure about our participation and would like to schedule a demonstration to assess possible student/faculty advisor interest. [Return ASAP if checked]

School _____

MasterMinds coach (if known) _____

MasterMinds coach's e-mail: _____
