

2016-2017 MasterMinds All-Star Ballot

School: _____ Region: Buff Roch Syr Alb

Coach(es): _____ League: _____

NOTE: Schools MUST return a ballot to qualify for the sportsmanship award. Any school not returning a ballot disqualifies that school from team awards or from having multiple individual all-stars.

Ballot Instructions:

1. Do **NOT** cast a vote for any player from your school except where noted as Your school's MVP. You **may** vote for your own school for the Team Sportsmanship award.
2. Not every school needs to be represented; some schools may have no all-stars.
3. Do not vote split; list just one individual or team per line.
4. Your selection for MVP should NOT also be listed as an all-star.
5. The top scorer is not automatically the MVP. Look at both total points and scoring averages as well as games played. You may also consider 'intangibles' like sportsmanship, captaining a team and grade level. Use your best judgment. 6. Rank order your all-star selections with your pick for MVP on the appropriate line, followed by the four to six next-most-valuable selections rank ordered beneath.
7. Vote for players from only your league.
8. Coaches must vote for enough players to equal the number of teams in the league; i.e. a five team league must have at least five players listed.
