

2017-2018 MasterMinds All-Star Ballot

School: _____ Region: Buff Roch Syr Alb

Coach(es): _____ League: _____

NOTE: Schools MUST return a ballot to qualify for the sportsmanship award. Any school not returning a ballot disqualifies that school from team awards or from having multiple individual all-stars.

Ballot Instructions:

1. **DO NOT** cast a vote for any player from your school except where noted as Your school's MVP. You **may** vote for your own school for the Team Sportsmanship award.
2. Not every school needs to be represented; some schools may have no all-stars.
3. Do not vote split; list just one individual or team per line.
4. Your selection for MVP should NOT also be listed as an all-star.
5. The top scorer is not automatically the MVP. Look at the player stats from your league and consider both total points and scoring averages as well as games played and team performance. You may also consider 'intangibles' like sportsmanship, captaining a team and grade level. Use your best judgment. Team photos and captions are on-line at: www.nymasterminds.com/program/teams/
6. Rank order your all-star selections with your pick for MVP on the appropriate line, followed by the four to six next-most-valuable selections rank ordered beneath.
7. Vote for players from only your league.
8. Coaches must vote for enough players to equal the number of teams in the league; i.e. a five team league must have at least five total players listed.
